

**FOR IMMEDIATE RELEASE: Nov. 21, 2023**

## **College Sports Communicators Academic All-District® Women's Soccer Teams Released**

The 2023 Academic All-District® Women's Soccer Teams, selected by College Sports Communicators, recognize the nation's top student-athletes for their combined performances on the field and in the classroom. The CSC Academic All-America® program separately recognizes soccer honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and NAIA.

Academic All-District® honorees are considered for advancement to the CSC Academic All-America® ballot. First-, second- and third-team Academic All-America® honorees will be announced in early December. The CSC Academic All-District® teams include the student-athletes listed on the following pages.

The Division II and III CSC Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CSC with handling the awards fulfillment aspects for the 2022-23 Divisions II and III Academic All-America® programs. The NAIA CSC Academic All-America® program is partially financially supported through the NAIA governance structure.
